

RUN: WHETHER YOU ARE A LION OR A GAZELLE

Stay Positive, Achieve More, Balance Work and Life and Become a Person of Value

Succeeding in today's ever-changing workplace and in your personal life, means you must be passionate, highly motivated, and focused in every aspect of your organization to become a man or woman of value. You know that the competitiveness of our world requires constant professional and personal growth. Further, yesterday's success is not a guarantee of tomorrow's success. Dr. Vincent Muli Wa Kituku (author of *Overcoming Buffaloes at Work & in Life*) says that this is the same as a gazelle that outruns a lion today thinking that there is no more running tomorrow. Or a lion that easily caught a gazelle yesterday assuming that it will do the same again tomorrow. It rarely happens!
